

You're Being Watched!

by Michael Pickford

Hello dear friends. I'm Mike Pickford, preacher for the Southside church of Christ in Smyrna, TN, and this is your Moment of Truth.

Have you ever had that eerie feeling that you were being watched? I know I have. Most people have moments in their lives when they certainly hope no one is watching. Well, the reality is, we are being watched! The Bible says, "*The eyes of the Lord are in every place, keeping watch on the evil and the good*" (Proverbs 15:3). That's right, everywhere we go, God is watching us; Even the bad things we think we're getting away with are "*naked and open to the eyes of Him to whom we must give account*" (Hebrews 4:13). All those skeletons will come out of the closet "*In the day when God will judge the secrets of men by Jesus Christ*" (Romans 2:16). So, how does all this affect your thinking? The real question is, how will all of this affect your lifestyle? We may pull the wool over the eyes of our friends, family, co-workers, bosses, government or even our church leaders. But God sees it all.
